

Fariborz Dolafi

Date of birth: 10/06/1997

Address: Tehran, Iran

Email address: fariborzdolafi2015@gmail.com

Web: <https://fariborzdolafi.com/>

Profile

He is interested in the applications of artificial intelligence in medicine and agriculture. Also, developing intelligent systems based on Internet websites seems very interesting to him. He would like to do things with an enthusiastic team to make people's lives easier and have a small contribution in this field.
